

Application for availing CFA for setting up of project for **Biomass based cogeneration**

**Application ID:**

**General**

Name:	Contact:
Email:	
Address:	State:
District:	Pin code:
Constitution:	
Authorized signatory name:	Authorized signatory designation:

**Project Details**

Project location:	<b>Lat: , Long:</b>	Project state:
Project district:		Project pin code:
Project type:	Non-Bagasse Cogeneration Power Project	
Status of project		
PPA [utility / power trader]:	Yes	Capacity for which PPA is executed (MW):
Purchase of equipment:	No	
Sanction of loan:	Yes	Likely date of commissioning:

**Technical Details**

Pressure of steam generation (kg/cm <sup>2</sup> ):	Temperature of steam generation (°C):
Grid voltage at which interconnection is to be done (kV):	
Capacity of boiler (TPH):	Make of boiler:
Capacity of turbine (MW):	Make of turbine:

**Power Details**

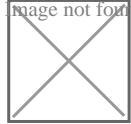

Proposed Installed capacity (MW):	
Total capacity of the project for which CFA is being sought (MW):	
Proposed Exportable capacity (MW):	
Total exportable capacity of the project for which CFA is being sought (MW):	
Number of operating days:	Average cost of power generation (Rs/kWh):

**Finance**

Cost (in Rs. Crores)	
Total cost of project (approved by lead FI):	Civil works:
Plant & machinery:	Misc. equipment:
Preoperative expenses:	Other costs:
Other cost (details):	
Total:	
Means of Financing	
Total funds required for project/Project cost (Rs. in Crores):	

Source of finance:	Self financed	Applicant's direct equity (Rs. in Crores):
Beneficiary/Borrower Account Details		
Name of account holder:	Name of Bank:	
IFSC:	Branch:	
Account No.:		
Address:	State:	
District:	Pin code:	

**Note:** The sign & stamp of developer are required to be furnished in the appropriate spaces provided below.  
The sign & stamp image can be updated from the profile section.
